

CATHS

CATHS in the Classroom

A 1 day course with Rachel Sawford and Ann Miles

This course is for educational staff working with children who have severe and profound learning disabilities working within pre key stage standards 1-3 or the Engagement Model.

The course covers:

- The CATHS approach.
- How to assess with practice completing assessments.
- Creating a future plan for each child.
- Classroom planning for groups of children.
- Introducing the CATHS curriculum.
