

CATHS

1 day course

with Rachel Sawford and Ann Miles

CATHS recognises the different dynamics of classrooms for children with special educational needs and disabilities (SEND). It is flexible and can be tailored to meet different needs.

The course is for educational staff working with children who have severe and profound learning disabilities working within pre key stage standards 1-3 or the engagement model.

The course covers:

- The CATHS approach.
- How to assess with practice completing assessments.
- Creating a future plan for children.
- Creating communication friendly classrooms.
- Adapting the curriculum.
